Outstanding location in the middle of the Tiergarten - central and still quiet. The Diplomats Park with its villas was created in the direct vicinity of the Großer Tiergarten, in the vicinity of government and parliament buildings as well as diplomatic representations. The exposed location is sophisticated and exclusive, pleasant and relaxed, well connected and yet wonderfully secluded. In just a few minutes you can reach the nearby Kurfürstendamm with the legendary KaDeWe department store. The Kulturforum with the world-famous Philharmonie and Mies van der Rohe's New National Gallery are also within walking distance, just a few minutes, from the exclusive apartments of Diplomats Park.
